ONE WEAK SPOT

Most Barre People Have a Weak Part and Too Often It's the Back.

Everyone has a weak spot. Two often it's a bad back. Twinges follow every sudden twist. Dull aches keep up day and night. Tells you the kidneys need help. For backache is really kidney-ache. A kidney cure is what you need. Doan's Kidney Pills cure sick kidneys. Cure backache and urinary ills. Barre people recommend the remedy. Mrs. E. B. Lewerenz, box No. 51, R. F. D. No. 2, Barre, Vt., says: "Judging from my experience with Doan's Kidney Pills, I know that they are an effective kidney medicine. Last fall I began to suffer from kidney complaint and as one of my relatives had been cured of this trouble by Doan's Kidney Pills, I decided to follow his example and try them. My back was so lame and painful that I could not do any work that required stooping or lifting. After I had taken the contents of three boxes of Doan's Kidney Pills, I was relieved and again last spring when I used them, they benefited me. I keep Doan's Kidney Pills in the house all the time and whenever an opportunity occurs, I recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

AMUSEMENT NOTES.

Famous Comedy Drama, "A Gentleman From Mississippi," To-night.

"A Gentleman from Mississippi" will be presented here this evening, Nov. 22, by William A. Brady. This famous comedy drama was the laughing sensation of New York for more than two years, playing to crowded houses even on the most torrid and oppressive nights of the summer months. Those who have seen the piece say that there are more laughs and better fun in one act of it than in half of the comedies now on the road all put together. It is the merriest of all plays. And there is sentiment, too. Love scene after love scene, some of them mirth provoking and others filled with beautiful sentiment, abound in the play. There is a delightful southern atmosphere about it all that suggests the land of roses and the palmetto. The principle role, that of Senator Langdon, is played by Mr. James Lackaye, while Harry Stubbs, one of the most brilliant of our younger comedians, is equally successful as the breezy young Yankee secretary. The same splendid company which has been appearing in the piece for the last six months in Chicago will be seen in the performance here. There is a load of special scenery and no expense has been spared to make the production a lavish one.

THE AUGUSTA PERRY CO.

At the Opera House for Three Days Beginning Thursday afternoon.

New company, new plays, new vaudeville, supported by a company of exceptional dramatic ability, Miss Augusta Perry will open a three days engagement at the opera house, Thursday, Nov. 24. The company has been engaged for their adaptability to the various roles assigned them, so that bright, breezy, up-to-date performances of all plays are assured. For the opening play, Thanksgiving afternoon at 3 o'clock, "Amy of the Circus" has been selected. This is a four act drama of circus life, with many opportunities for genuine laughter and a story of great heart interest. At night, the four act sensational comedy drama, "The City of Sins." A thrill and a laugh in every line. Friday, ladies' night, the historical romance, "Du Barry." Scenes of this play were laid at the court of France, during the reign of Louis XIV, giving a chance for rich and elaborate costumes. Guaranteed the finest costumed play ever seen in Barre at popular prices. Saturday matinee, "Why He Divorced Her." Saturday evening, "The Street Singer's Revenge." Special scenery and eight vaudeville acts for each play. Vaudeville includes, Prince Ellwood, Stanton & Flamme, Maude Parker and Harry Moore. Popular prices.

Mr. Badger had lived in this place for about seven years, most of the time in his father's family, and had many friends here. The Badger family removed from this town to East Montpelier something over a year ago.

Not Sorry for Blunder.

"If my friends hadn't blundered in thinking I was a doomed victim of consumption, I might not be alive now," writes D. T. Sanders of Harrodsburg, Ky., "but for years they saw every attempt to cure a lung-racking cough fail. At last I tried Dr. King's New Discovery. The effect was wonderful. It soon stopped the cough and I am now in better health than I have had for years. This wonderful life-saver is an unrivaled remedy for coughs, colds, influenza, croup, hemorrhages, whooping cough or weak lungs. 50c, \$1.00. Trial bottle free. Guaranteed by the Red Cross Pharmacy."

Archibald's Belated Conscience.

When Senator Gordon of Washington county was advocating a redemption of the promises made to wage earners in the platform of the Republican party, he charged Senator Archibald of Bennington county with trying to prevent the party from carrying out its solemn pledge.

Senator Archibald vociferously replied that he would not violate the dictates of his conscience at the behest of any party. How long does it take, or what means can be employed, to jar the senator's conscience into action? He was present as a delegate to the convention that adopted the plank which contained that solemn pledge to the workman.

Was his conscience then asleep? Why did he not set an alarm clock for it and arouse it in time to oppose the plank then and there? Why did he sit quietly by and allow the convention to suppose that his conscience had not been touched? Why did he ratify it by his silence?—Rutland Herald.
